

**POOLE HARBOUR**  
Nutrient Management Scheme

## **Progress Update on the Poole Harbour Nutrient Management Scheme**

Poole Harbour Agriculture Group (PHAG) invites to you a meeting to discuss the progress and next steps of PHNMS.

### **On the agenda for the meetings:**

- Update on progress to date
- Scheme proposals
- Results of recent trials
- Q&A session

These sessions replace those cancelled in December 2021 due to Covid; your input is welcomed so we hope you will be able to attend one and encourage you to bring your farming neighbours.
